

FPX-1

FLOOD PROBE FOR THE AXD-200 UNIVERSAL DETECTOR

The probe is to be connected to the **AXD–200** (white), **AXD–200 BR** (brown) or **AXD–200 DG** (dark gray) universal detector working as a flood detector. The 3 m long flexible cable makes the installation easy, even in hard–to–reach places.

- cable length: 3 m
- available in three color versions: white (FPX-1), brown (FPX-1 BR) and dark gray (FPX-1 DG)
