National Declaration of Performance NR 3/2017

1. Name of the construction product: Flat Gasket with a Steel Insert G-S-W; G-S-G; G-S-S
2. Marking of a construction product: 20001
3. Intended use or uses: **Sealing flange connections in pipes**
4. Name and address of the producer: **“INTEGRA” Malirz, Zwierzycki Sp.j. ul. Metalowców 26 44-109 Gliwice**
5. Name and address of the authorized representative; if applies: **does not apply**
6. National system used to evaluate consistency of the products: **3**
7. National technical specification:

7a. Polish norm of the product: **PN-EN 1514-1:2001 „Collars and connections. Dimensions of the gaskets used for flanges marked with PN”**

Name of accredited certification body, number of certification and number of the national certificate or name of accredited laboratory and number of accreditation: **does not apply**

7b. National Rating: **does not apply**

Name of the accredited certification body, number of accreditation and number of certificate: **does not apply**

8. Declared performance properties:

Main characteristics of construction product	Declared performance properties	Notes
Max. working pressure	PN 10-40 for DN 200-DN80, DN 400	PN-EN 1514-1:2001
	PN 10-46 for DN100-DN250	PN-EN 1514-1:2001
	PN 10-25 for DN300-DN500	PN-EN 1514-1:2001
	PN 10, PN 25 for DN350, DN 600	PN-EN 1514-1:2001
	ZPN 10 DN450, DN600, DN700, DN800, DN1000, DN 1200	PN-EN 1514-1:2001
Hardness class acc. Shore'a Material of Gasket G-S-W; G-S-S	EPDM	PN-C 04238:1980
Hardness class acc. Shore'a material of the Gasket G-S-G	NBR	PN-C 04238:1980

9. Declared performance properties of described above product are confirmed with all described in point 8 declared unity properties. This national document of properties of use was established acc. To act from the day 16th of April 2004 regarding construction products, for the sole responsibility of the manufacturer.
